BOOK CLUB

May – Wish You Well by David Baldacci

Precocious twelve-year-old Louisa Mae Cardinal lives in the hectic New York City of 1940 with her family. Then tragedy strikes – and Lou and her younger brother, Oz, must go with their invalid mother to live on their great-grandmother's farm in the Virginia Mountains. Suddenly Lou finds herself coming of age in a new landscape, making her first true friend, and experiencing adventures tragic, comic, and audacious. When a dark, destructive force encroaches on her new home, her struggle will play out in a crowded Virginia courtroom...and determine the future of two children, an entire town, and the mountains they love.

NEW TIME – Monday, May 12th, 3:30 – 5:00 pm in the Cremona CES. If you wish to read this book please contact the Cremona Library to reserve a copy. This is the last book club until September.
